

# The Amazing Story of "PSYCHIANA"

Told in this beautifully illustrated 9x12-inch brochure relating the remarkable growth of "PSYCHIANA" since it began in 1929

**SEE:** Dr. Robinson's photograph — at the pipe organ — addressing a crowded Trinity Auditorium at Los Angeles — his car — home — and best of all, his family.

**SEE:** The first two offices of "PSYCHIANA" — the present staff of employees — and a picture of the drug store where Dr. Robinson worked when he launched "PSYCHIANA."

**This and other pictures showing the different branches of activities are yours for only \$1.00**
